

OBJECTIVE

To apply my background in Computer Science and Business Systems to develop strategic, data-driven solutions that support business growth and operational efficiency. With a passion for both technology and management, I aim to bridge the gap between technical development and business decision-making. I aspire to contribute to dynamic organizations where I can combine analytical thinking, leadership, and innovation to drive impactful outcomes and deliver value across teams and customers.

EDUCATION

- | | |
|---|------------------------|
| • KalaignarKarunanidhi Institute of Technology, Coimbatore
[B.Tech - Computer Science and Business Systems] | 2023-2027
